EDUCATIONAL DEPARTMENT.

The 5th June 1882.

The following Notices are published for general information, by request of the Commissioner for Uncovenanted Civil Service Examinations, Madras.

L. RICE,
Director of Public Instruction.

CIVIL MEDICAL SUBORDINATE DEPARTMENT.

Notice is hereby given that twenty-five candidates will be entertained for the Second Department of the Madras Medical College in connection with the Civil Department of the Medical Subordinate Establishment.

2. Candidates must not be below fifteen nor above twenty years of age, and they must produce certificates of parentage and of age, with testimonials as to character and respectability; also a certificate of vaccination, of personal marks, and of physical fitness for Government service signed by a Commissioned Medical Officer of the British or of the Indian Establishment. Candidates of all nationalities are eligible for this department *provided they have passed the Matriculation Examination.*

3. Should the number of applicants exceed twenty-five, the whole will be subjected to a competitive examination in the English language, and the required number will be selected according as they may be successful in passing that test, *viz.*, in the meaning of words and phrases, in grammatical construction of sentences, and in Grammar generally.

4. Candidates will be subjected to a colloquial examination in one of the following vernaculars at their option:—Hindustani, Tamil, Telegu, Canarese and Malayalam. Care will be taken to ascertain the facility possessed by each candidate of making himself understood in the vernacular which he has selected.

5. Assuming that the number of candidates will exceed twenty-five, applications in the annexed form for admission to this examination (which will be held in any Civil or Military Station of the Madras Presidency, or of British Burmah, where there may be a Commissioned Medical Officer to superintend the candidates), with certificates prescribed in paragraph 2, must be sent to the Secretary for U. C. S. Examinations, Madras, not later than the 15th July with a receipt showing that the examination fee of *Rupees five* has been paid into a Government Treasury. The fee will not be refunded nor reserved for another examination.

6. Each application should be superscribed "Application for admission to the Examination for 'Civil Hospital Apprentices.'"

7. The examination will commence on Monday the 14th August, and will be conducted by means of printed papers.

8. Successful candidates will be designated "Civil Hospital Apprentices," and attached for one year to such Military and Civil Hospitals as the Surgeon-General may appoint them, on a salary of 15 Rs. per mensem for the whole period.

9. During their pre-collegiate course Civil Hospital Apprentices will be subject to the periodical examinations prescribed in G.O.C.C. No. 112 of 29th August 1868, *viz*:—

First examination at the close of six months—

Subjects.—The sensible properties, names, uses, and doses of the more common medicines in the dispensary, and Elements of Osteology.

Second examination at the close of twelve months—

Subjects.—The whole subject of Practical Pharmacy, the reading of prescriptions, and the essentials of Minor Surgery.

At the final examination Civil Hospital Apprentices will further be required to give proof of their competence to make out correctly the usual Hospital "Returns," in the preparation of which they should be instructed during the last six months of their pre-collegiate course. The results of these examinations will determine the order of merit according to which lads will be drafted into the Medical College.

10. The course of instruction at the Medical College will extend over three years, and College pay for the entire period will be Rs. 20 per mensem. On completion of the third year of study, on examination, if found qualified for advancement, they will be promoted to the grade of Civil Apothecary and receive the undermentioned salary, promotion from grade to grade being determined by periods of service until the establishment becomes more fully developed, after which restrictions will be made regarding the number of each grade, and promotions given only on the occurrence of vacancies. In any case, promotion will be dependent on successfully passing periodical examinations:—
